chicker

nerve growth factor receptor, low affinity precursor • N;Alternate names: NGF receptor C;Species: Gallus gallus (chicken)

C;Date: 10-Sep-1999 #sequence\_revision C;Accession: JN0006; A60504

C; Comment: This protein belongs to a member of the human nerve-growth-factor/tumor-necrd C; Comment: This receptor recongnizes soluble, cell-surface bound or extracellular matrix C; Superfamily: CD27 antigen; NGF receptor repeat homology
C; Keywords: glycoprotein; phosphoprotein; receptor: transmembrane protein
F;1-17/Domain: signal sequence #status predicted <SIG>
F;18-255/Product: lymphocyte activation-induced receptor ILA #status predicted <MAT>
F;187-213/Domain: transmembrane #status predicted <TMM>
F;187-213/Domain: transmembrane #status predicted <TMM>
F;187-213/Binding site: carbohydrate (Asn) (covalent) (by casein kinase C) #status predicted
F;242/Binding site: phosphate (Ser) (covalent) (by protein kinase C) #status predicted
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            A;Cross-references: EMBL:U03397; NID:g571320; PIDN:AAA53133.1; PID:g571321 R;Schwarz, H.; Tuckwell, J.; Lotz, M. "Characterization of the MrC OX40 antigen of activa lymphocytes -- a molecule related to nerve growth f EMBO J. 9:1063-1068(1990).

-- FUNCTION: RECEPTOR FOR THE DAVAOL/GP34 CYTOKINE.

-- SUBCELLULAR LOCATION: Type I membrane protein.

-- TISSUE SPECIFICITY: ACTIVATED T-CELLS.

-- SIMILARITY: CONTAINS 4 TNFR-CYS REPEATS.
                                                                                                                                                                                                                                                       01-APR-1990 (Rel. 14, Created)
